PROFILE

I am currently a 3rd year student attending Cal Poly Pomona studying Computer Information Systems (CIS). This semester I've taken a gap break due to the pandemic, but been studying code rigorously ever since. Pushing my code to Github and searching for open source projects work on, constantly trying to immerse myself within Web Development!

Web Technologies: HTML | CSS | SASS | Bootstrap | JavaScript ES5+ES6

Github: <https://github.com/tuttongchan>

EMPLOYMENT HISTORY

Cashier at Altadena Dairy, La Puente, CA
